

the original N. $\frac{1}{2}$  m. post of sec. 33. I used it as the starting point in ~~locating~~<sup>copying</sup> out stake at "E". Thus locating "E" at distance between N. $\frac{1}{2}$  m. p. and N. $\frac{1}{8}$  cor. of sections. I established "E", (N. & corner of NW $\frac{1}{4}$  of NE $\frac{1}{4}$  of sec. 33 T. 7 N. R. 1 W.) by planting a lime stone, taking as witness a W. Oak 15 in. N. 78 $\frac{1}{2}$  W. 57 $\frac{1}{2}$  and a Poplar 12 in. S. 40 E. 53 $\frac{1}{2}$ .

I then began at "E" and ran S. 90 ch. running out 50 l. S. and 12 $\frac{1}{2}$  l. N. of corresponding point on S. line of sec. 33. I then established this center of sec. 33 by planting a lime stone witnessed by B. Ash 12 in. S. 22 $\frac{1}{2}$  E. 21 links and a B. Oak 14 in. S. 41 W. 56 $\frac{1}{2}$  l.

I then commenced at S.  $\frac{1}{2}$  mile point of sec. 33. ran North 80 ch. to N. $\frac{1}{2}$  m. p. of said sec. came out 68 $\frac{1}{2}$  l. N. 432 l. W. of said N. $\frac{1}{2}$  m. p. I thereby established "C" by planting a lime stone witnessed by B. Oak 24 in. N. 76 $\frac{1}{2}$  E. 39 l. and a Maple 8 in. N. 52 $\frac{1}{2}$  W. 11 $\frac{1}{2}$  l. I also established by same line "I" the  $\frac{1}{2}$  way point between center of sec. (G) and N. $\frac{1}{2}$  m. post which I perpetuated by planting a lime stone witnessed by lime stone N. 49 E. 92 l., and a lime stone N. 45 $\frac{1}{2}$  W. 10 l.

I then established "H" corner on N. line of sec. 33, on East side of A. N. A. & C. P. R. by planting a lime stone witnessed by lime stone S. 49 W. 17 l. and a lime stone N. 36 W. 27 l.

I then located "L"  $\frac{1}{2}$  distance between centers and W.  $\frac{1}{2}$  m. p. of sec. 33) by running a line from center to W.  $\frac{1}{2}$  m. p. and correcting at half-way point which I established by planting a lime stone witnessed by W. Oak 30 in. S. 51 W. 51 l.

"Part" Armstrong and Neat McPadden administrator of Robert Taylor Estate agreeing to run or precise of notice I, at their request all other interested parties agreeing and consenting, established the center of sec. 32 T. 7 N. R. 1 W. by beginning at W.  $\frac{1}{2}$  m. p. of sec. 33 running thence W. 80 ch. to W.  $\frac{1}{2}$  m. p. of said sec. 32 coming out 50 l. S. 41 45 l. W. of said ... and connecting random line at half-way point which I established by planting a lime stone witnessed by Beech 12 in. S. 21 E. - l. and a B. Walnut 12 in. S. 26 $\frac{1}{2}$  W. 78 $\frac{1}{2}$  l.

All lines and corners described in foregoing record except last line and corner above described, were surveyed in accordance with Notice herein after copied and were run and established on Thurs. Feb. 24 1887 and each working day thereafter until Survey was completed.
